

Detailed Guide with An Example

English as a Second Language –June 2016

Extended

Step 1 – Find Component 22 Raw marks (out of 90) = 64

Step 2 – Adjust marks You may want to adjust raw marks to ensure fairness and consistency. For example, you may adjust a mark because of special considerations to ensure quality of marking between teachers.

Raw mark	Adjustments	Adjusted Mark
64	+1	65

Step 3 – Find the component Grade and compare with grade thresholds

Grade thresholds taken for Syllabus 0510 (English as a Second Language (Speaking Endorsement)) in the May/June 2016 examination.

		minimum raw mark required for grade:						
	maximum raw mark available	A	B	C	D	E	F	G
Component 11	70	–	–	47	45	42	30	18
Component 12	70	–	–	46	44	40	28	16
Component 13	70	–	–	47	45	42	30	18
Component 21	90	70	64	56	52	46	–	–
Component 22	90	68	62	56	52	46	–	–
Component 23	90	69	64	57	53	47	–	–
Component 31	30	–	–	22	19	16	12	8

Therefore, the component grade for the Extended writing paper is A (65 marks)

Step 4 – Find the component 22 weighting factor and multiply the adjusted mark by the weighting factor.

June 2016	0510	12	70	140	2
June 2016	0510	13	70	140	2
June 2016	0510	21	90	140	1.555555556
June 2016	0510	22	90	140	1.555555556
June 2016	0510	23	90	140	1.555555556
June 2016	0510	31	30	60	2
June 2016	0510	32	30	60	2

Adjusted Mark X Weighting factor = $65 * 1.55 = 100.8$ (This is Component 22 final mark)

Step 5 – Repeat the process with Component 42 (listening) and add the final marks to calculate the syllabus grade.

Let's assume that the final mark Aisha got for Component 42 (Extended listening is) 57.

(Raw mark 38/40 * Weighting factor 1.5 = 57)

Now let's calculate the syllabus total for Extended.

Component 22 + Component 42 = 100.8 + 57 = 157.8

Syllabus Total Rounded up = 158

Step 6 – Find the syllabus grade

HY	22, 42, 86	169	155	141	128	115	103	–	–
JB	12, 32	–	–	–	134	123	112	78	44
KA	21, 41	177	161	145	129	116	103	–	–
KB	22, 42	169	155	141	128	115	103	–	–

In Maldives We do
KB (Extended)

A* A B C D E

158 falls here

Therefore, Aisha will get an A in extended!
