Syllabus component weighting factors
March 2016

Find a component's weighting factor to calculate final marks.

For more information on how and when to use component weighting factors, use our *Guide to converting component raw marks into syllabus grades* factsheet.

Syllabus component weighting factors

June 2016

Find a component's weighting factor to calculate final marks.

For more information on how and when to use component weighting factors, use our *Guide to converting component raw marks into syllabus grades* factsheet.
